DOUGLAS OFFICIALS SATISFIED  
NO HOSTILITIES ARE PROPOSED

DOUGLAS, Ariz., March 27.—Declaring that he wished to assure the people of the United States and those of Douglas in particular, that the de facto government of Sonora was acting in good faith, Gen. P. Elias Calles, military governor of the state, invited Sheriff Harry C. Wheeler of Cochise County, Ariz., to visit Caborca and other points in northeastern Sonora where "arrazna troops are located."

"If the sheriff or a committee of citizens will respect our camps for themselves they will see that we are making no plans that it is believed can be classified as hostile," the governor stated. Sheriff Wheeler visited Gen. Calles at the latter's headquarters in Agua Prieta, the Mexican town opposite here.

RUSH SUPPLIES TO THE TROOPS  
BY AUTOS 14 MILES AN HOUR

ON ROUTE OF THE ARMY, March 26, via courier to Columbus, N. M.—Trains of auto trucks when rushing the bulk of supplies to the front at the rate of fourteen miles an hour are a new branch of the service. They run in lines of ten to a dozen each, and they keep on the move day and night. The organization of these trains has required quick work in Columbus, their operation across the sand hills and over the treacherous tablelands of Chihuahua has been full of perils. Their tops are always visible above the gray and green chapparal, their bulk is impressive and their speed, combined with the rifles of the guards who ride on top of the loads make them seem dangerous engines of offense.

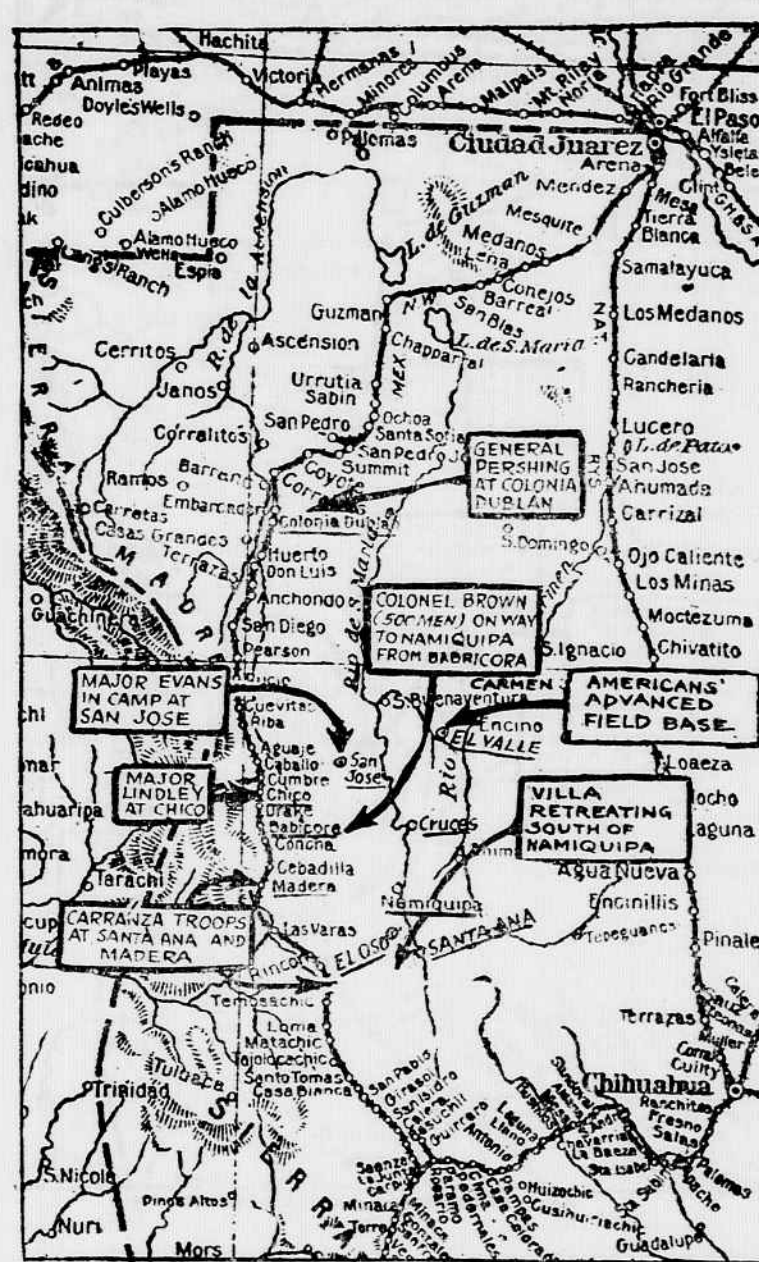

While the great trucks have to some extent mastered the desert, the lighter motor cycles have been hampered for speedy dispatch work in northern Chihuahua. For the first thirty miles of the route taken by the transports there is not a habitation to be seen. In the first twenty-five miles it passes only two small Mexican villages. At their campfires at night along the road the American soldiers sing Broadway songs, out of sight and hearing of any Mexican.

U. S. DOLLAR IS FINDING A PLACE  
IN HEARTS OF MEXICAN PEOPLE

COLUMBUS, N. M., March 27.—The American dollar rapidly is finding a place in the hearts of the people of northern Chihuahua, according to soldiers and civilians arriving at the border today from Gen. J. J. Pershing's headquarters. Through the aid of the American troops passed at first were coldly friendly, but when they found that the Americans did not commandeer their live stock and food supplies as have Mexican armies passing through the same district their courtesy and friendliness increased.

The price, too, increased when the inhabitants found that the American

TEN-DAY MISSION OPENS  
AT ST. PAUL'S CHURCH

Similar Services by Other Episcopal Congregations Brought to Close Yesterday.

There is but one Episcopal church now holding mission services. This is St. Paul's Church, 235 street near Washington Circle, which yesterday inaugurated a ten-day mission as the dozen or more sister churches which conducted missions during the past two weeks brought their endeavors to a close.

Rev. Dr. McVeigh Harrison opened the mission at St. Paul's Church yesterday morning with a sermon on "Being Like God." In the afternoon at 3:30 o'clock he conducted a mission for children, and from the large attendance it is expected that the children's services will prove a popular feature of this mission. Last night Dr. Harrison presided on the significance of the life of St. Paul.

"There is a purpose for every soul," he said, "and every man's life is a plan of God."

Brings Mission to Close.

Rev. Dr. John A. Richardson, Lord Bishop of Fredericton, Canada, brought to a close last night the highly successful mission which Rev. Dr. C. Ernest Smith has conducted at St. Thomas Church, 18th street near Dupont Circle.

An especially elaborate program was held at this church yesterday, beginning with holy communion at 8 o'clock in the morning and closing with Dr. Richardson's concluding sermon at night.

Impressive services were held yesterday at the Church of the Epiphany, Rev. Dr. Robert Johnston, the missionary, preaching his concluding sermon, Rev. Dr. Randolph H. McKim, the rector, conducted a brief service of intercession.

St. Mark's Church was crowded to capacity last night to hear the concluding sermon of the missionary, Dean Vernon, whose mission sermons have made great appeal to the residents of Northeast Washington. The "Te Deum" was sung by an augmented choir as an especial mark of thanksgiving. Rev. Dr. C. E. Stetson, the rector, was in charge of the services.

Mission Over at Christ Church.

The most successful mission ever held in Christ Church, Georgetown, was brought to a close last night. Dr. Nelson Dame, the missionary, preached, and the service was in charge of Rev. James H. W. Blake, the rector.

Services at St. Alban's Church and in the chapel of St. Albans parish yesterday brought to a close a successful and largely attended mission in this section of the District. The missionaries, leaving precinct.

The four alleged violators of the regulation were told that their case would be called for trial Wednesday night before Justice Joyce at Mount Rainier.
